TRUCKEE MEADOWS WATER AUTHORITY – Join [Truckee Meadows Water Authority's](#) (TMWA) Conservation staff for a guided tour of the water efficient garden at Hug High School, on Saturday, July 20, from 8:00 a.m. to 10:00 a.m.

The Hug High School Garden demonstrates a water-efficient bioregional garden, Sierra Nevada mountain plants, native plants from the Great Basin, and a vegetable garden that produces food items for the school's culinary program. This two-hour tour will walk participants through the transformation of the Hug High School Garden, that originally featured a hilly turf which resulted in an inefficient use of water.
